25X1

Thanks for your letter of January 12th.

We will continue to try and find the delicate line between delegating authority to others and yet discharging our basic responsibilities. We are certainly grateful to you for your always understanding help.

25X1

We agree that we should begin to work on a successor to [redacted] who will stay longer than two years. We should certainly consider [redacted] as a possible source, along with others. We'll try and come up with some names by March 15th. Will you, Jim and C.B. also put your heads together on this. If you agree, perhaps we could go over this matter together about April 1st.

Sincerely,

/S/

Allen W. Dulles
Director
